Philadelphia, Pa.

'7
9

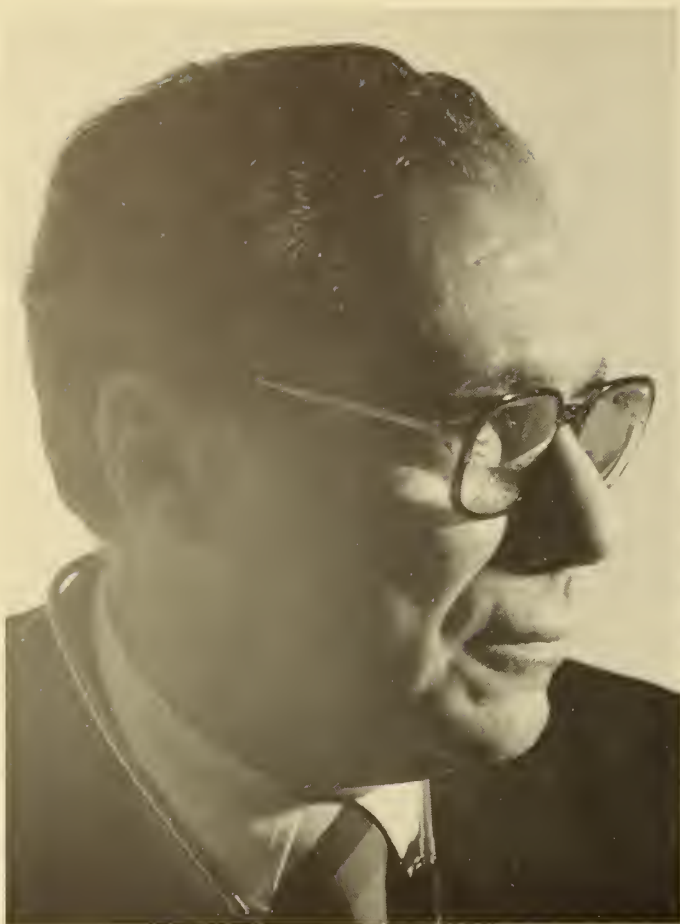

Look to this day for it is life
the very life of life
In its brief course be all
the realities and truths of existence
the joy of growth
the splendor of action
the glory of power
For yesterday is but a memory
And tomorrow is only a vision
But today well lived makes
every yesterday a memory of happiness
and every tomorrow a vision of hope
Look well, therefore to this day.

William Likoff, M.D.
President

It is a welcome privilege to extend my very best wishes to this year's graduates from the College of Allied Health Professions. I am delighted by the fact that the basic principle assuring success and contentment, namely, dedication to service, has been clearly defined to the students of the College and will provide a firm guideline for your future endeavors.

It is a pleasure to congratulate you on the exceptional record of accomplishments which you have achieved.

William Likoff, M.D.

Congratulations to each member of the Class of 1979. I share with you, your parents, wives, husbands and friends your pride in successfully completing your education and training as an allied health professional. While a student you were constantly challenged to perform to the best of your ability. Since you were able to successfully meet these challenges, I am confident that you will pursue your new career with the professionalism expected of a member of the health care delivery team.

The strength of any college is the performance of its graduates. The administration, faculty and staff of your College are justifiably proud of our alumni and we welcome you as the newest members of this group. We wish each of you continued success as an allied health professional.

Students Elected to Who's Who for 1979

Ethel L.W. Abner

Ethel first started her career in Respiratory Therapy in October of 1969. She attended a one year AMA approved school and became a Certified Respiratory Therapy Technician. She worked at Hahnemann for seven years, then attended our two year program for Respiratory Therapy. After graduation, she passed the first part of the national exam for registered therapists and is scheduled to sit for the second component in June.

Currently, Ethel is enrolled as a part-time student in the Bachelor Program and an instructor in the School of Respiratory Therapy at Hahnemann. Future plans are to obtain her Ph.D. and to travel.

James T. Drew

Jim began his health care career as a Cardiopulmonary Technician, performing various non-invasive diagnostic procedures. He decided to study Respiratory Therapy to specialize in Pulmonary Medicine.

Jim has been actively involved in student services through the Student Affairs Committee and is the Editor-in-Chief of the yearbook, HORIZONS '79. This is Jim's second election to Who's Who, the first being in 1974.

His future plans are to study for a more advanced degree and to travel as much as possible.

Clare L. Monastero

In June of 1978, Clare received her associates degree as a Medical Technician at which time she was recognized for excellence in academic and clinical performance. She previously held a teaching assistantship in laboratory hematology and is presently a research technician in the Department of Physiology. Clare has been active in student government and enjoys intramural sports. As a junior, Clare is looking forward to receiving her Bachelor of Science Degree from the Medical Technology program and hopes to continue study on a graduate level in a specialized area of Medical Technology.

HAHNEMANN SPORTS

THIS YEAR MARKED THE BEGINNING OF SPORTS AT HAHNEMANN. THE "Y" WAS OPENED TO ALL STUDENTS AND CLASSES OFFERED; ALL IN A POSITIVE DIRECTION FOR STUDENT ACTIVITIES. CLASSES RANGED FROM KI-AIKIDO TO BALLET TO EXERCISE CLASS AND RECEIVED CAPACITY ENROLLMENT. STUDENTS FORMED TEAMS UNDER THE BLUE AND GOLD TO BOUT FOR THE DIVISION TITLE AND CHAMPIONSHIP. THE HAHNEMANN SPORTS PAGE BY JIM DENIER KEPT US INFORMED ON RESULTS FROM TEAM COMPETITIONS AND WINNERS. DAY BY DAY, MORE SPORT ACTIVITIES WERE ANOUNCED AFTER THE SPARK FROM VOLLEYBALL SPREAD THROUGH THE EAGER STUDENT BODY. INTRAMURAL SPORT EVENTS STARTED WITH VOLLEYBALL AND OTHERS INCLUDED SOCCER AND BASKETBALL. IT IS HOPED THAT THIS TREMENDOUS STEP WILL MOVE EVEN FARTHER TO POSSIBLY INCLUDE INTERSCHOOL EVENTS.
